Channel Performance & Engagement Overview

Video Quality vs. Reach (Quadrant Analysis)

Key Recommendations

- Double Down on Winners:** The top 3 videos drove **10.2M+ views**; continue expanding trending topical commentary.
- Repackage Hidden Gems:** Videos with high engagement (> 4%) but low views (< 1M) need refreshed titles and thumbnails.
- Drop Underperformers:** Stop producing content stuck below **1M views** and **3% engagement** to save production bandwidth.
